

The board of the Village of Alvin has recently signed an agreement with the City of Danville for them to represent us in ordinance violations.

If you receive a letter regarding any ordinance violation and do not comply in the time frame given, you will receive and Citation and Notice to Appear at Night Court in Danville, Illinois.

The only way the Citation and Hearing can be cancelled is if proper proof of compliance is received by the date provided for the violation to be corrected.

If you have any questions you may attend the next board meeting which is on October 1, 2019 at 7:00 p.m. at the Alvin Christian Church.
